RE: Treasurer's Report for March 31, 2017

TO ALL BOARD MEMBERS:

Balance Sheet:

- Our total cash balance is 10,541 which is \$7,740 more than February. The reserve balance is now \$135,745 which is \$2,428 more than on February 28, 2017. This increase is due to our monthly reserve transfer from checking to reserves which is a budgeted line item.

Income/Expenses:

- **Monthly assessment income:** Year-to-date, we are currently above in our monthly assessment line item by \$300. **ABOVE** budget means that some delinquent accounts are being collected. We currently have one homeowner who is behind in monthly assessments. **BELOW** budget means not everyone is paying on time and is behind. The BOD is constantly monitoring this area to ensure everyone pays their monthly assessment.
- **Total expenses:**
Our year-to-date our actual expenses are \$3,526 below the budget amount of \$40,184. This is not unusual this time of year since summertime expenses of landscaping and irrigation have not started to any great degree. We did several roof and gutter repairs in January and March due to the 100 miles per hour windstorm that occurred on January 8, 2017. Also, we had a bill for \$1,920 for a gutter cleaning that was conducted in December but not paid until January. We have had no large snow storms that typically cause our snow removal budget to be over at this time of year. Right now, we have only spent \$3,870 of our \$12,000 snow removal budget.

Overall, we are in good shape.
