RE: Treasurer's Report for November 30, 2010

TO ALL BOARD MEMBERS:

Balance Sheet:

- Our operating account cash balance is 5,123. This is about \$3,260 more than our October 31 balance. Our cash balance will start growing during the winter months since we have fewer bills to pay. Our cash position is still OK for this time of year and is very similar to what it was at this point last year.
- We now have only one homeowner who has not paid their painting restoration special assessment and is also behind on their monthly assessments. We are working with this homeowner, our attorney and the bank to try to make final payments. A foreclosure of this property may occur by the homeowner's bank.
- At the end of November, our reserve balance had a total of \$193,387.

Income/Expenses:

- **Monthly assessment income:** YTD is \$3,487 **ABOVE** budget. One of our homeowners who had been behind caught-up in their HOA dues in September. **ABOVE** means that some of our delinquent accounts are being collected. **BELOW** budget means not everyone is paying on time and is behind. We need to be constantly monitoring this area to ensure everyone pays their monthly assessment.
- **Total expenses:** We are currently overall \$9,212 **ABOVE** budget. That is a little unusual for this time of year. We had unusually large water bills for September and October that we normally do not have. This has been a very dry year and impacted our expenditures.
- **Insurance:** We are over for the year by \$2,223. We switched insurance carriers in November and some up front premium payments were necessary with the new carrier. Overall this will give us better coverage with reduced deductibles.
- **Utilities:** We are over budget in water by \$11,650. This summer has been very dry and a lot more watering was necessary. Also, there was a rate increase of 12% this year by the CS Utilities.
- **Legal Expenses:** Also, we are over by \$3,477. This is due to the fact we are now pursuing legal action with one homeowner that could result in foreclosure of that property. We are over the ANNUAL budget by \$3,227, thus we will need to under spend some other area(s) to remain within our total annual budget for 2010.
- **Misc Maintenance** was charged \$3,662 due to several sewage issues we had with some tree roots in August - October. There is no annual budget line-item for this expenditure; we will need to absorb it out of some other area of the budget.
- All other expense categories are in good shape.

OVERALL, we are in a good financial position.

Bob Jones
