RE: Treasurer's Report for June 30, 2017

TO ALL BOARD MEMBERS:

Balance Sheet:

- Our total cash balance is \$20,379 which is only \$3,476 more than at the end of May. The reserve balance is now \$142,862 which is \$2,372 more than on May 31, 2017. This increase is due to our monthly reserve transfer from checking to reserves which is a budgeted line item.

Income/Expenses:

- **Monthly assessment income:** Year-to-date, we are currently \$965 above budget with our collection of our monthly assessments. **ABOVE** budget means that some delinquent accounts were collected. **BELOW** budget means not everyone is paying on time and is behind. Currently there is only one homeowner who is two months behind. This should be collected in July. The BOD is constantly monitoring this area to ensure everyone pays their monthly assessment on time.
- **Total expenses:**
Year-to-date our actual expenses are \$16,560 below a straight-line five-month budget amount of \$99,290. This is not unusual this time of year since summertime expenses of landscaping and irrigation are just starting to occur to some degree. This will pick up in July – September. We did several roof and gutter repairs in January and March due to the 100 miles per hour windstorm that occurred on January 8, 2017. Also, we had a bill for \$1,920 for a gutter cleaning that was conducted in December but not paid until January. We have had no large snow storms that typically cause our snow removal budget to be over at this time of year. Right now, we have only spent \$5,030 of our \$12,000 snow removal budget. In April we also paid \$4,030 for new metal vent caps for all of the water heater roof vents in the HOA that were over 30 years old and need of replacement.

Overall, we are in good shape.
